Call for Proposals

National Symposium on 'Scientific Writing and Research Integrity'- in Honour of International World Book and Copyright Day – April 23, 24, 2018

Symposium Coordinators
✓ GHERZOULI Ikhlas
✓ TALBI Amina
✓ MELAKHSSOU Fateh

About the Symposium

On Monday 23rd & Tuesday 24th of April, 2018, at MLD Sétif2 University, The *Faculty of Letters and Languages* at the initiative of the *Quality Assurance Cell* of the faculty is organizing a national symposium including a series of relevant events to mark the day. Postgraduate students, teachers- researchers, authors, publishers and librarians are invited to attend and participate to celebrate the day.

Rationale

Publishing is an essential part of a researcher's professional life. Yet, writing and then getting a paper published can be a very tiresome and time-consuming process. Fortunately, many of the hurdles along the writing and publishing route can be circumvented by following some common strategies and practices. The two days symposium aims therefore at developing scientific writing skills, and providing young researchers with essential guidelines on publication process, ethical and scientific aspects of publication, and peer-review process. The symposium aims also to fuel knowledge sharing among all parties involved in promoting scientific integrity and foster discussion revolving around the current status of Algerian research journals.

The two days national symposium will include keynote presentations, Oral talks, Poster presentations, and Book exhibition.

Call for Proposals

The Symposium on 'Scientific Writing and Research Integrity' invites all researchers to fill in the registration form to be eligible to present at the symposium under the following tracks but not limited to;

✓ Data management
✓ Academic writing & publishing
✓ Systems of peer review
